

Agency	Service
DCA	Assistance to cities and counties in establishing Impact Fee systems
DCA	Assisting Cities in filing their Annexation maps with DCA as required by the law
DCA	Awarding and recognizing cities and counties that demonstrate exceptional water management capabilities with the WaterFirst designation
DCA	Allocation of tax-exempt bond financing
DCA	Establish minimum building construction standards for all new structures including mass-produced factory built (modular) buildings built in the state
DCA	Community Home Investment Program (CHIP) assists local governments in activities which result in the production, acquisition, or rehabilitation of decent, safe, and sanitary housing units which will be occupied by income eligible homebuyers, homeowners, or tenants
DCA	Assist communities with information, assistance, and tools needed to successfully implement planning and quality growth solutions to enhance local quality of life
DCA	Downtown Development assistance to Georgia cities, small towns and neighborhoods in the re-development of their core commercial areas and champion new development opportunities for rural Georgia; manage the state's participation in the National Main Street Program Main Street (TM); provide a wide array of services, from one-on-one on-site technical assistance to co-sponsoring the annual Georgia Downtown Conference
DCA	Facilitate and stimulate economic activity, private investment, and job creation by various means including making loans and grants.
DCA	Hotel/Motel Tax Performance Review Board
DCA	Environmental Education and Assistance to communities by providing technical assistance, resource tools, and public education outreach resources
DCA	Establish procedures used by Regional Development Centers for review of large scale developments that qualify as Developments of Regional Impact (DRI)
DCA	Administer federal community development and economic development programs that provide funding, incentives, education as well as technical assistance to local governments, development authorities, and private for-profit entities
DCA	Federal-state partnership to help communities in the Appalachian Region via the Appalachian Regional Commission
DCA	Affordable housing development funding, technical assistance, administration of low income housing tax credit program, and compliance monitoring
DCA	Water quality and supply planning and environmental management assistance to local governments, non-profit organizations, etc. related to improved environmental management
DCA	Establish the minimum building construction standards for all new structures build in the state
DCA	Disperse Local Assistance Grants to eligible recipients or qualified local governments, as specified by amount, recipient, and purpose in an appropriation to the department
DCA	Provide advice and technical assistance to local governments that are preparing local comprehensive plans and reviews the completed plans for compliance with state law
DCA	Solid waste management technical assistance to local governments, non-profit organizations, etc.related to improved environmental management
DCA	Intensive technical assistance toward resolving local growth issues to local governments that are selected to receive a Resource Team visit
DCA	Provide technical assistance to communities preparing Service Delivery Strategy agreements and reviews these for compliance with all requirements under state law
DCA	Utilize one-third of Georgia's tobacco settlement to assist the state's most economically challenged areas (OneGA)
DCA	Storm water management technical assistance to local governments, non-profit organizations, etc.related to improved environmental management
DCA	Provide environmental education and technical assistance to local governments
DCA	Provide GIS mapping services
DCA	Provide recycling and litter reduction technical assistance to local governments
DCA	Local Government financial data collection and dessimation
DCA	Local Government management/service delivery data collection and dessimation
DCA	Uniform Chart of Accounts for Local Governments in Georgia
DCA	Solid Waste Management and Survey & Full Cost Report

**This inventory lists services provided to regional and local governments by state agencies.*

DCA	Community development programs assisting Georgia cities, small towns and neighborhoods in the development of their core commercial areas and champion new development opportunities for rural Georgia
DCA	Community Planning Institute provides training to local elected and appointed official responsible for implementing the local comprehensive plan and associated land development regulations
DEcD	Business Recruitment and Retention – Business location services. Promote the State of Georgia as a destination for business location and expansion.
DEcD	Innovation & Technology – Create economic development within the following strategic industries: Life sciences, Logistics, Advanced Communications, Advanced Manufacturing, Aerospace and Agriculture.
DEcD	Entrepreneur Friendly Initiative – Create an entrepreneur culture in Georgia, encouraging communities to include entrepreneur and small business development strategies into their local economic development strategies.
DEcD	Entrepreneur Friendly Phase II – Help build long term programs and incorporate entrepreneur and small business strategic plans into a community’s overall economic development plan. These communities have attained the “Entrepreneur Friendly” designation.
DEcD	Mentor Protégé Program – Match industry leaders (Mentors) with three year old, growth -stage companies (Protégés) for mentoring and business best practices guidance.
DEcD	Film, Video and Music - Promote Georgia’s diverse locations, entertainment industry tax incentives, production infrastructure and talent.
DEcD	Film, Video and Music - Provide specific location scouting services to clients and prospects
DEcD	Tourism Sales – Promote the State of Georgia as a tourism destination to domestic and international consumers, travel agents, group tour operators and travel media.
DHR	Administration - Transportation services to eligible individuals to allow them access to needed services.
DHR	Adolescent and Adult Health Program - Adolescent Health and Youth Development: Promotes abstinence until marriage; provides outreach, comprehensive health services and prevention education to all teens including teen parents, male teens and other youth; implements youth development activities through collaboration with families and communities
DHR	Adolescent and Adult Health Program - Family Planning: Provides comprehensive family planning services to women of child-bearing age and their partners, including screening for cancers, STD's and HIV. Offers individuals and families opportunities to plan and space pregnancies in order to achieve self-sufficiency and healthy birth outcomes.
DHR	Adolescent and Adult Health Program - Cancer Screening and Prevention: Collaborates with health districts, health departments, and partner organizations to support cancer prevention, early detection, follow-up, and treatment initiatives.
DHR	Adolescent and Adult Health Program - Adult & Adolescent Health Laboratory Services: Screening, diagnostic, and reference testing services to the target population through county health departments, public health/family planning clinics, private physicians, hospitals, other clinical laboratories and state agencies
DHR	Adolescent and Adult Health Program - Health Promotion: Assesses risk and preventive factors for chronic disease; mobilizes partnerships to identify and solve health problems; informs, educates, and empowers communities and individuals to take action on health problems; develops policies and strategic plans to promote health; and ensures the competency of the public health work force.
DHR	Community Service Boards?
DHR	Adult Essential Health Treatment Services - Hypertension Management: Ensures provision of hypertension treatment and case management services for eligible Georgians for whom those services are otherwise unavailable. The program provides services through a network of participating providers. Program staff also provide education to health care providers and the community on best practices in cardiovascular disease prevention and care.
DHR	Adult Essential Health Treatment Services - Refugee Health Services: Promotes the physical, mental, and social well-being of all newly arriving refugees in the state of Georgia by collaborating with county health departments to screen refugees, ensure follow-up care, administer immunizations, and provide health education.
DHR	Elder Community Care Services - provides in home services to individuals that require a nursing home level of care.

**This inventory lists services provided to regional and local governments by state agencies.*

DHR	Elder Non Medicaid Home and Community Based Services - Provides a continuum of support to seniors, adults with disabilities and their caregivers to enable them to stay at home for as long as possible while maintaining health, independence and safety.
DHR	Elder Support Aging Disability Resource Connection - MHDDAD/DAS collaboration to provide a single access point to information and resources.
DHR	Older Americans Community Service Employment - provides on the job training for low income older Georgians and helps them transition into unsubsidized employment.
DHR	GeorgiaCares - assists Georgia's Medicare beneficiaries, their families and others understand their rights, benefits and services under the Medicare program and Rx assistance, and other health insurance options.
DHR	Senior Nutrition - provides nutritious meals, health education and opportunities for socialization to older Georgians.
DHR	Wellness Health Promotion - Provides services and activities that improve or maintain the functional ability and the health status of elderly Georgians. Services are designed to decrease health risk factors, increase functional abilities, avoid or delay problems caused by chronic disease and enhance quality of life.
DHR	Emergency Medical Services: Performs licensing of ambulance services, medical first responder services, and neonatal transport services; periodic inspection of all vehicles that provide services; certification of automated external defibrillator programs; investigations and disciplinary actions relating to these services; certification and recertification of emergency medical technicians, paramedics and paramedics instructors; and investigations and disciplinary actions relating to these individuals.
DHR	Preparedness Coordination for Emergencies: Assessment, planning, capacity development, and preparedness appraisal; event surveillance and assessment; laboratory testing and analysis; communications; and training.
DHR	Trauma System
DHR	Epidemiology: Conduct surveillance for infections, chronic and other diseases; design control and prevention measures; improve services to populations at greatest risk; provide expertise and support for disease outbreak investigations; publish and disseminate public health information; identify and respond to public health emergencies
DHR	Epidemiology Laboratory Services - Health Assessment: Screening, diagnostic and reference testing service to the target population through county health departments, public health clinics, private physicians, hospitals, other clinical laboratories and state agencies.
DHR	Immunization consultations, training, assessment, vaccines and technical assistance to public and private providers, schools, and daycare facilities, and other agencies statewide.
DHR	Children's Medical Services: Provides clinical/medical care coordination and health education services to children with congenital and chronic health conditions who are 236% FPL or below, or who are Medicaid eligible.
DHR	Regional Tertiary Care Centers: Provides healthcare system for high-risk perinatal and neonatal patients through six regional tertiary hospitals that offer critical services including transportation, perinatal care, delivery, post-partum care, newborn care, follow-up and education to other hospitals in the region.
DHR	Infant & Child Oral Health: Dental prevention, education and treatment services
DHR	Perinatal/Maternal Health: Provide training to professionals who provide case management to Medicaid eligible women and infants. Provide linkage and referral to health services to pregnant women and families. Raise awareness about the health needs of pregnant women and infants.
DHR	Genetics/Sickle Cell: Diagnosis, treatment and case management for high-risk infants, including low birth weight infants and those with genetic, metabolic and congenital conditions.
DHR	Babies Can't Wait: Care coordination, education, developmental therapies, special instruction, family training, and assistive technology provided by private and public practitioners to children.
DHR	Nutrition - Women Infants and Children: Administers the provision of programmatic support, nutrition assessment, nutrition counseling and education, supplemental food prescriptions, breastfeeding promotion and support, and referral services to consumers who are at risk due to inadequate nutrition and income.
DHR	Comprehensive Child Health: Newborn screening for genetic, hearing and other health conditions; monitoring and tracking children identified as at-risk for poor health and developmental outcomes; Sudden Infant Death Syndrome prevention, and child development.

**This inventory lists services provided to regional and local governments by state agencies.*

DHR	ICHP Lab Services: Screening, diagnostic and reference testing service to the target population through county health departments, public health clinics, private physicians, hospitals, other clinical laboratories and state agencies.
DHR	HIV/AIDS: Provides ongoing HIV prevention to Georgians at risk for HIV; provides primary care and HIV medication to HIV infected persons
DHR	Laboratory - Infectious Disease: Screening, diagnostic and reference testing service to the target population through county health departments, public health clinics, private physicians, hospitals, other clinical laboratories and state agencies.
DHR	Sexually Transmitted Disease Treatment and Control: Aims to prevent and reduce the spread of sexually transmitted diseases (STD's) through education, case reporting, health screening, partner notification and treatment for gonorrhea, chlamydia and syphilis
DHR	Tuberculosis Treatment and Control: Collaborates with county health departments, private providers and other public agencies to provide TB services as well as educational and training services for health care providers.
DHR	Building injury surveillance systems to guide data-based decision making and strategic planning. Building coalitions to develop state, regional and local capacity to conduct injury prevention efforts. Providing technical assistance, training and resources in developing, implementing and evaluating injury prevention programs that target populations at risk.
DHR	Environmental Health: Identifies, prevents and abates environmental conditions that adversely impact human health through a combination of surveillance, education, enforcement and assessment programs. Population-based services include permitting, inspecting and enforcing regulations for food service operations, tourist accommodations, swimming pools, and on-site sewage management systems.
DHR	Laboratory - Environmental Health: Screening, diagnostic and reference testing service to the target population through county health departments, public health clinics, private physicians, hospitals, other clinical laboratories and state agencies.
DHR	Register, enter, archive and provide to the public in a timely manner, vital records and associated documents
DNR	Wildlife Protection - Boat Ramp Construction and Maintenance
DNR	Wildlife Protection - Conservation Planning
DNR	Coastal Resources - Technical Assistance in Land Use Planning - including ordinance development; GIS mapping; development of decision-making tools; development review; outreach and education; oral and written presentations, etc.
DNR	Coastal Resources - Grant Funding (Coastal Incentive Grant Program)
DNR	Coastal Resources - Technical Assistance in Natural Resource Protection
DNR	Coastal Resources - Public Health Monitoring - Beach Water Quality
DNR	Coastal Resources - Public Health Monitoring - Shellfish Sanitation Program
DNR	Coastal Resources - Determining jurisdictional area under the authority of the Coastal Marshlands Protection Act (CMPA)
DNR	Coastal Resources - Determining jurisdictional area under the authority of the Shore protection Act (SPA)
DNR	Coastal Resources - Issuing of Revocable License for the use of State Waterbottoms
DNR	Coastal Resources - Issuing of CMPA permits
DNR	Coastal Resources - Issuing of SPA permit
DNR	EPD Air Protection - Vehicle Emissions Test
DNR	EPD Air Protection - Air Quality Forecasting
DNR	EPD Air Protection - Statewide Monitoring Network
DNR	EPD Air Protection - Visible Emissions Training
DNR	EPD Air Protection - SIP Development
DNR	EPD Hazardous Waste Management - Investigation and response to complaints about hazardous waste management

**This inventory lists services provided to regional and local governments by state agencies.*

DNR	EPD Hazardous Waste Management - Publication of the Hazardous Site Inventory, including evaluation of sites for listing
DNR	EPD Hazardous Waste Management - Oversight of cleanups at properties listed on the Hazardous Site Inventory
DNR	EPD Hazardous Waste Management - Cleanup of properties listed on the Hazardous Site Inventory
DNR	EPD Hazardous Waste Management - Reimbursement of local governments for cleanup costs at properties on the Hazardous Site Inventory
DNR	EPD Hazardous Waste Management - Oversight of cleanups at "brownfields" properties by prospective purchasers
DNR	EPD Land Protection/Solid Waste - Capacity for solid waste disposal and handling
DNR	EPD Land Protection/Solid Waste - Solid Waste Permits
DNR	EPD Land Protection/Solid Waste - Solid Waste Permit Modifications
DNR	EPD Land Protection/Solid Waste - Permit by Rule approval for certain types of solid waste handling
DNR	EPD Land Protection/Solid Waste - Closure approvals for landfills
DNR	EPD Land Protection/Solid Waste - Environmental Monitoring of landfills and other solid waste facilities
DNR	EPD Land Protection/Solid Waste - Public access to environmental records
DNR	EPD Land Protection/Solid Waste - Information on solid waste handlers
DNR	EPD Land Protection/Solid Waste - Data on solid waste trends
DNR	EPD Land Protection/Solid Waste - Landfill Operator Training
DNR	EPD Land Protection/Solid Waste - Tonnage Reports on waste disposal
DNR	EPD Land Protection/Solid Waste - Expert input into state solid waste management plan
DNR	EPD Land Protection/Solid Waste - Approval of monitoring plans
DNR	EPD Land Protection/Solid Waste - Approval of cleanup plans
DNR	EPD Land Protection/Solid Waste - Mitigation of methane gas hazards
DNR	EPD Land Protection/Solid Waste - Technical Guidance Documents for solid waste handling
DNR	EPD Land Protection/Solid Waste - Technical Assistance on solid waste management
DNR	EPD Land Protection/Solid Waste - Public meetings and hearings
DNR	EPD Land Protection/Solid Waste - Public advisories
DNR	EPD Land Protection/Solid Waste - Expert Testimony
DNR	EPD Land Protection/Solid Waste - Speeches/presentations
DNR	EPD Land Protection/Surface Mining - Reclamation of land damaged by surface mining
DNR	EPD Land Protection/Surface Mining - Surface Mining Permits
DNR	EPD Land Protection/Surface Mining - Modifications to surface mining permits
DNR	EPD Land Protection/Surface Mining - Public access to information on surface mining
DNR	EPD Land Protection/Surface Mining - Letters releasing mine owners/operators from bonding
DNR	EPD Land Protection/Surface Mining - Compliance monitoring
DNR	EPD Land Protection/Surface Mining - Enforcement
DNR	EPD Land Protection/Surface Mining - Rules for Surface Mining
DNR	EPD Land Protection/Surface Mining - Assurance of land reclamation in default cases
DNR	EPD Land Protection/Surface Mining - Public hearings/meetings
DNR	EPD Land Protection/Surface Mining - Data on surface mining operations

**This inventory lists services provided to regional and local governments by state agencies.*

DNR	EPD Land Protection/Surface Mining - Data tracking
DNR	EPD Land Protection/Surface Mining - Technical guidance documents on surface mining
DNR	EPD Land Protection/Surface Mining - Technical assistance
DNR	EPD Land Protection/Surface Mining - Public Advisories
DNR	EPD Land Protection/Surface Mining - Speeches/presentations
DNR	EPD Land Protection/Waste Reduction and Abatement - Scrap Tire handling permits
DNR	EPD Land Protection/Waste Reduction and Abatement - Licenses
DNR	EPD Land Protection/Waste Reduction and Abatement - Certifications
DNR	EPD Land Protection/Waste Reduction and Abatement - Approval of plans
DNR	EPD Land Protection/Waste Reduction and Abatement - Cleanup of scrap tire dumps
DNR	EPD Land Protection/Waste Reduction and Abatement - Grants for recycling market development
DNR	EPD Land Protection/Waste Reduction and Abatement - Grants to local governments for recycling and scrap tire reimbursements
DNR	EPD Land Protection/Waste Reduction and Abatement - Grants to state agencies
DNR	EPD Land Protection/Waste Reduction and Abatement - Annual Report on Solid Waste Trust Fund
DNR	EPD Land Protection/Waste Reduction and Abatement - Expert technical input into state solid waste management plan
DNR	EPD Land Protection/Waste Reduction and Abatement - Mitigation of environmental emergencies at landfills
DNR	EPD Land Protection/Waste Reduction and Abatement - Technical Assistance
DNR	EPD Land Protection/Waste Reduction and Abatement - Compliance Monitoring
DNR	EPD Land Protection/Waste Reduction and Abatement - Enforcement
DNR	EPD Land Protection/Waste Reduction and Abatement - Data on waste reduction
DNR	EPD Land Protection/Waste Reduction and Abatement - Rules for Scrap Tire Management
DNR	EPD Land Protection/Waste Reduction and Abatement - Rules for Asbestos Abatement
DNR	EPD Land Protection/Waste Reduction and Abatement - Rules for Lead Paint Abatement
DNR	EPD Land Protection/Waste Reduction and Abatement - Financial assurance for scrap tire handling defaults
DNR	EPD Land Protection/Waste Reduction and Abatement - Public hearings/meetings
DNR	EPD Land Protection/Waste Reduction and Abatement - Technical Guidance Documents for scrap tire management
DNR	EPD Land Protection/Waste Reduction and Abatement - Technical Guidance Documents for Lead based Paint and Asbestos Abatement
DNR	EPD Land Protection/Waste Reduction and Abatement - Informational brochures on lead and asbestos hazards and abatement requirements
DNR	EPD Land Protection/Waste Reduction and Abatement - Reports
DNR	EPD Land Protection/Waste Reduction and Abatement - Scrap Tire handling capacity
DNR	EPD Land Protection/Waste Reduction and Abatement - Public advisories
DNR	EPD Land Protection/Waste Reduction and Abatement - Speeches/presentations
DNR	EPD Land Protection/Underground Storage Tanks - Annual registration of all USTs
DNR	EPD Land Protection/Underground Storage Tanks - UST cleanup funds
DNR	EPD Land Protection/Underground Storage Tanks - Environmental Monitoring Data
DNR	EPD Land Protection/Underground Storage Tanks - Mitigation of environmental emergencies at USTs
DNR	EPD Land Protection/Underground Storage Tanks - Provision of safe drinking water at sites where USTs have impacted supplies

**This inventory lists services provided to regional and local governments by state agencies.*

DNR	EPD Land Protection/Underground Storage Tanks - Clean groundwater and surface water at UST sites
DNR	EPD Land Protection/Underground Storage Tanks - Public access to information
DNR	EPD Land Protection/Underground Storage Tanks - Rules for Underground Storage Tanks
DNR	EPD Land Protection/Underground Storage Tanks - Financial Assurance for UST cleanups
DNR	EPD Land Protection/Underground Storage Tanks - Public Hearings/Meetings
DNR	EPD Land Protection/Underground Storage Tanks - Compliance Monitoring/Enforcement
DNR	EPD Land Protection/Underground Storage Tanks - No further action letters
DNR	EPD Land Protection/Underground Storage Tanks - UST compliance certificates
DNR	EPD Land Protection/Underground Storage Tanks - Technical Guidance Documents for USTs
DNR	EPD Land Protection/Underground Storage Tanks - Reports
DNR	EPD Land Protection/Underground Storage Tanks - Cleanup approvals for USTs
DNR	EPD Land Protection/Underground Storage Tanks - UST data
DNR	EPD Land Protection/Underground Storage Tanks - Data Tracking
DNR	EPD Land Protection/Underground Storage Tanks - Public Advisories
DNR	EPD Land Protection/Underground Storage Tanks - Speeches/presentations
DNR	EPD Program Coordination - Issue Environmental Permits and Radioactive Materials Licenses
DNR	EPD Program Coordination - Issue Environmental Permits and Radioactive Materials Licenses
DNR	EPD Program Coordination - Assure regulatory compliance through inspections of regulated entities and enforcement actions
DNR	EPD Program Coordination - Monitor Georgia's environment for contaminants in air, water, land and drinking water
DNR	EPD Program Coordination - Conduct investigations of environmental complaints
DNR	EPD Program Coordination - Conduct emergency response actions
DNR	EPD Program Coordination - Provide technical assistance regarding environmental regulatory compliance
DNR	EPD Watershed Protection - Drinking water laboratory services for federal and state mandated drinking water monitoring
DNR	EPD Watershed Protection - Drinking water operator training and technical assistance
DNR	EPD Watershed Protection - Permit to operate a public water system
DNR	EPD Watershed Protection - Public water system complaint investigation, inspections and technical assistance
DNR	EPD Watershed Protection - Conduct emergency and disaster response actions related to public water systems
DNR	EPD Watershed Protection - Drinking water operator training and certification reimbursement program
DNR	EPD Watershed Protection - Well/facility owners
DNR	EPD Watershed Protection - Community well systems
DNR	EPD Watershed Protection - Oil and gas companies
DNR	EPD Watershed Protection - Well driller licensing
DNR	EPD Watershed Protection - Domestic water well complaint investigation, inspections, and assistance.
DNR	EPD Watershed Protection - Monitoring of formation and progression of state-wide drought conditions, updating drought indicators per the Georgia Drought Management Plan
DNR	EPD Watershed Protection - Monitoring of formation and progression of drought conditions in the Flint River Basin, updating drought indicators in the Basin, advising EPD Director before March 1 of every year whether a severe drought condition is declared in the basin
DNR	EPD Watershed Protection - Technical analysis of water resources planning and management

**This inventory lists services provided to regional and local governments by state agencies.*

DNR	EPD Watershed Protection - Guidance, Technical Assistance, and Training related to Floodplain Management and the National Flood Insurance Program (NFIP).
DNR	EPD Watershed Protection - Construction & funding management for all GEFA-funded projects
DNR	EPD Watershed Protection - Direct funding, technical, & regulatory assistance
DNR	EPD Watershed Protection - Permitting - Review of Environmental Documents
DNR	EPD Watershed Protection - Permitting - Review of Design Documents
DNR	EPD Watershed Protection - Permitting - Review of Plans & Specifications
DNR	EPD Watershed Protection - Provide technical assistance
DNR	EPD Watershed Protection - Prepare and revise TMDL Implementation Plans to restore impaired waters.
DNR	EPD Watershed Protection - Coordinate with local stakeholders to implement TMDL Implementation Plans.
DNR	EPD Watershed Protection - Coordinate internal and external programs and activities to support plan implementation.
DNR	EPD Watershed Protection - Conduct outreach to support and encourage implementation..
DNR	EPD Watershed Protection - Analytical Data for Rivers, Streams, Lakes and Estuarine Waters
DNR	EPD Watershed Protection - Total Maximum Daily Load (TMDL) Modeling and Development
DNR	EPD Watershed Protection - Watershed Protection Plan Review and Approval
DNR	EPD Watershed Protection - Waste Load Allocation (WLA) for NPDES permittee
DNR	EPD Watershed Protection - Water Quality Standards
DNR	EPD Watershed Protection - Awarding Section 319(h) Nonpoint Source Implementation Grants -- approximately \$3-\$4 million dollars distributed annually
DNR	EPD Watershed Protection - Environmental outreach on nonpoint source pollution and water quality issues through educational workshops, presentations, curricula and publications, videos and other material
DNR	EPD Watershed Protection - Municipal separate storm sewer systems and industrial activity stormwater permitting, compliance, enforcement and education
DNR	EPD Watershed Protection - Issuance of Stream Buffer Variances
DNR	EPD Watershed Protection - Issuance of Section 401 Water Quality Certifications
DNR	EPD Watershed Protection - Review of Erosion, Sedimentation and Pollution Prevention Plans for compliance with the NPDES construction activity stormwater general permits
DNR	EPD Watershed Protection - Review of local erosion and sedimentation ordinances for certification
DNR	EPD Watershed Protection - Groundwater Withdrawal Permits
DNR	EPD Watershed Protection - Surface Water Withdrawal Permits
DOR	Audits
DOR	Collections
DOR	Special Collections Program
DOR	Investigate Alleged Fraud
DOR	Distribute Homeowner Tax Relief Grants
DOR	Distribute Sales Taxes
DOR	Public Utilities
DOR	Receive and Examine Annual County Property Tax Digests
DOR	Support Computer Mass Appraisal System
DOR	Train Local Tax Officials
DOR	Unclaimed Property

**This inventory lists services provided to regional and local governments by state agencies.*

DOR	Administer County Vehicle Registration, License Plate Issuance & Renewal, and Title Application approvals
DOR	GA Registration and Title Information System (GRATIS) Training
DOR	Inspect Salvage and Rebuilt Motor Vehicles
DOR	Help Desk/Call Center
DOR	Issue and Print Certificates of Title from (approved by MVD and County Tag Office) applications
DOR	Motor Vehicle Valuations for Ad Valorem Tax Assessment
DOR	Rules & Regulations
DOR	Seminar Presentations
DOT	Plan, construct, maintain and operate the 18,000-mile state highway system including the Interstate highway system
DOT	Support local government in planning, constructing, maintaining and operating 90,000 miles of local roads
DOT	Provides funding and technical support to local transit agencies in both urban and rural settings
DOT	Provides funding and technical support to airports and agencies in both urban and rural settings
DOT	Provide parking areas for commuters across the state to support transit use and carpooling
DOT	Acquires and maintains rail lines that are in jeopardy of being abandoned by private rail operators.
DOT	Provides training and technical problem resolution to local government based on current transportation industry practices
DOT	Contracts with local MPO to encourage carpooling, working with local employers and providing a carpool matching service
DOT	Services provided in response to phone calls, E-mails and written correspondence requesting for debris removal from roadways, road repairs and improvements
DOT	Federally authorized program to provide funding for a wide variety of transportation related projects such as sidewalks, trails, landscaping
DOT	Support the State's Emergency management efforts by providing the infrastructure and support staff
GEFA	Water/Sewer/Solid Waste Infrastructure
GEFA	Land Conservation
GEFA	Recycling/Waste Reduction Infrastructure/Activities
GEFA	Promote energy efficiency and renewable energy through outreach activities, technology deployment and partnerships
GEFA	Facilities Management
GEFA	Remove/remediate/upgrade state owned fuel storage tanks
GEFA	Monitor and Maintain state-owned fuel storage tanks
GRTA	Xpress commuter public transportation for metro Atlanta
GRTA	Vanpool
GRTA	Development of Regional Impact review
GRTA	Approve regional Transportation Improvement Plan for Governor
GRTA	Regional transportation projects monitor & review
OneGA	Provide financial resources to support projects and activities in Georgia's economically distressed rural areas, thereby serving as a catalyst to spur the creation of new jobs and private investment. Collaborative partnerships and sustainable economic development strategies are encouraged to achieve the goal of "bridging the economic divide."

**This inventory lists services provided to regional and local governments by state agencies.*
